Subject: fyi - State LegislatureMO resolutions

fyi only - I don't track resolutions on the weekly calendars but MO has quite a few so just sending out as an fyi

HCR 18	English	Requests the United States Congress to transfer authority for the remediation of the West Lake Landfill radioactive wastes from the EPA to the Corps of Engineers' Formerly Utilized Sites Remedial Action Program.
HCR 19	Rowden	Strongly urges the continued and increase development and delivery of North American oil to United States refineries, and the approval of the Keystone XL Pipeline project.
HCR 26	Kirkton	Urges the Department of Natural Resources to consider the need to require groundwater monitoring at all new and existing coal ash ponds and require cleanup for ponds that are leaking dangerous chemicals.
HJR 11	Reiboldt	Proposes a constitutional amendment affirming the right of persons to raise livestock in a manner adhering to state and local laws and ordinances as enacted at a specified time.
SCR 7	Pearce	Urges Congress to support greater domestic development of North American sources of oil and approve the Keystone XL pipeline project.
SCR 11	Chappelle-Nadal	Urges the United States Congress to transfer authority for the remediation of the West Lake Landfill radioactive wastes from the EPA to the Corps of Engineers' Formerly Utilized Sites Remedial Action Program.
